In Mars, things are different. Henry and Andrew go to school in the sky.

First Meeting

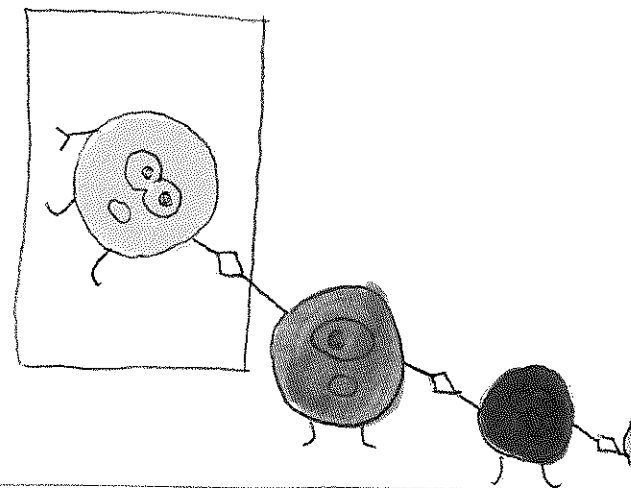

Their first assignment was to find a partner and try to get up to the school.

Acquaintance

When they got to school, they were told that their partner would be their classmate.

Acquaintance

Deciding to make the best of it, Henry and Andrew became friends.

Friends

One day Henry got too close to the window and was sucked into space.

Friends

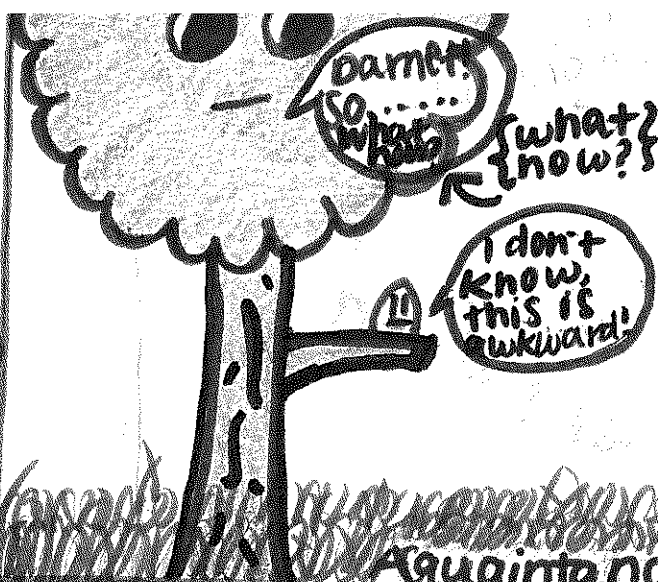

Andrew formed a chain and got Andrew back to school.

Best Friends

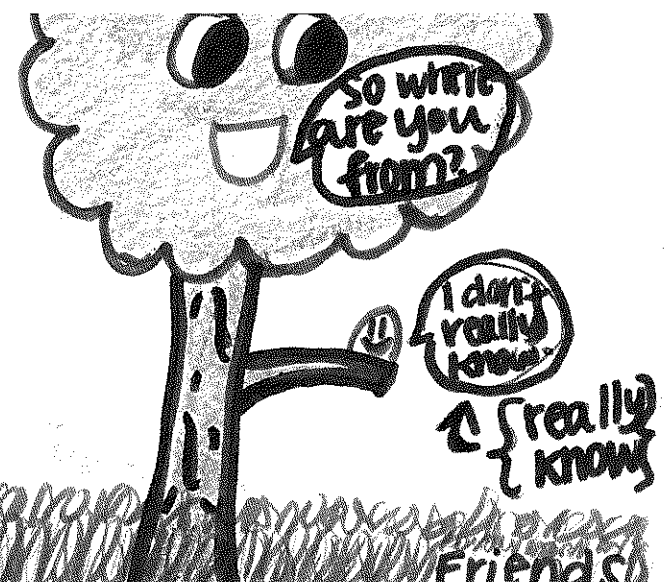

First Meeting

Bert the tree noticed something growing on his "arm," so he checked it out...

Acquaintances

He introduced himself and found out it was Tom... the leaf!

Friends

Burt and Tom became "Friends" and got past the "awkward" stage.

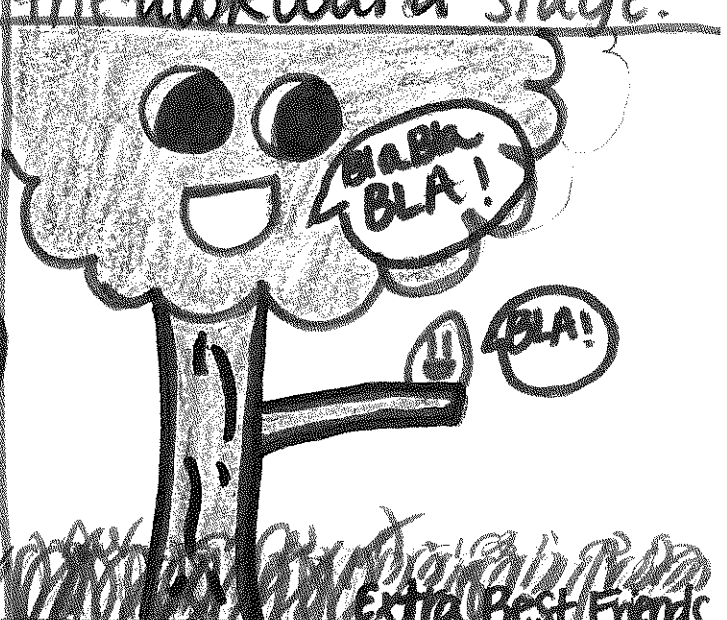

Still Friends

Burt and Tom were still at a "friend" status when a twister came...

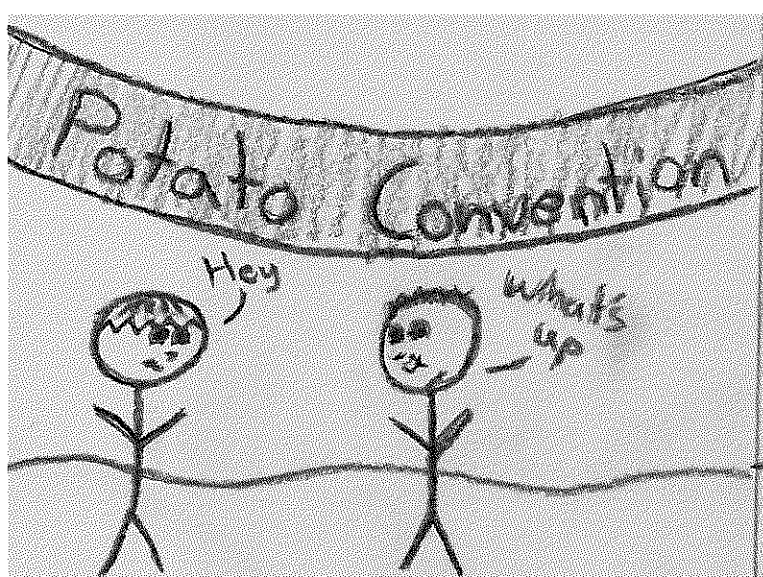

Best Friends

The twister took away all of Burt's leaves, except for one, and that's where he and Tom became BFFs!

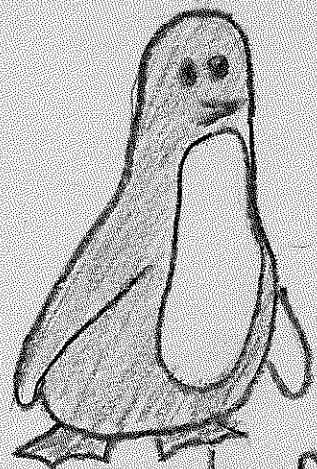

Extra Best Friends

Burt and Tom are still best friends, and even though all of Burt's leaves grew back, he still ♥'s Tom the most!

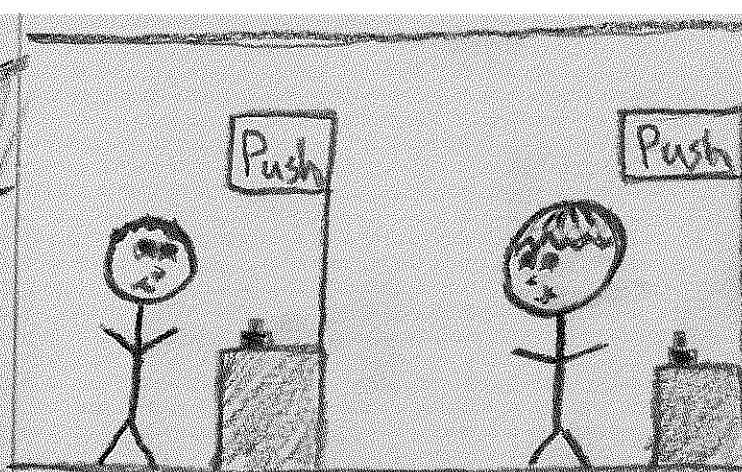

Raul and Alfanzo meet at a Potato Convention where they started to talk.

Best Friends

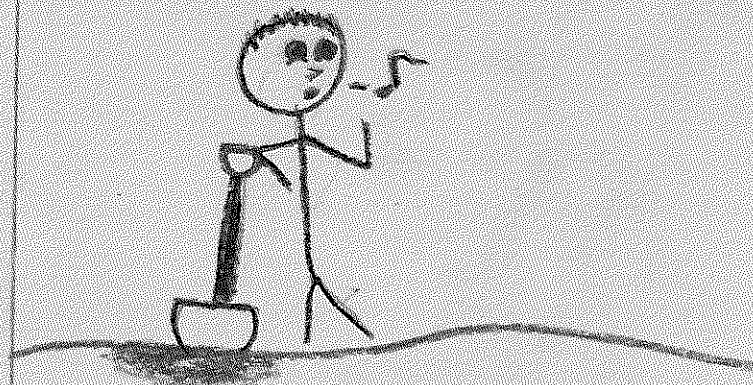

Alfanzo gets Raul a Penguin and they become best friends.

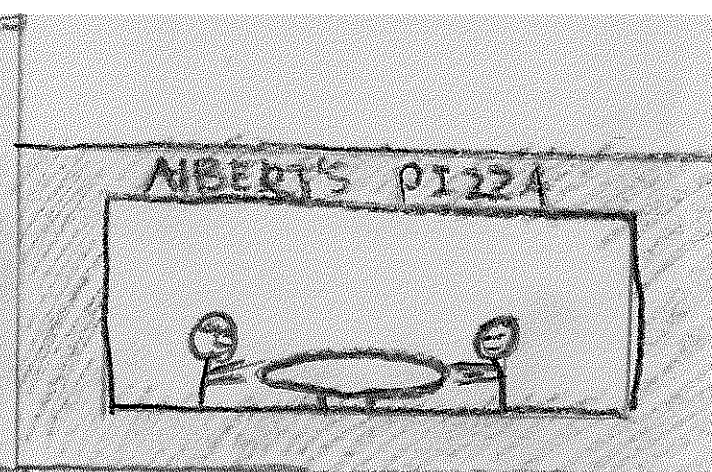

They got the same job at the Button Pushing Corp. They talked while they worked and learned a lot about each other.

Acquaintances

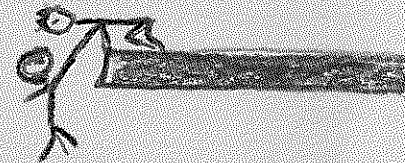

But there friendship grew sour when Alfanzo killed the Penguin out of jealousy.

They decide to eat pizza together and hang out.

Best Friends

They then became best friends again when Alfanzo saved Raul's life at a cheese fondue factory.
